---

14                   Offenses charged:

15       1. Felon in Possession of a Firearm

16                   Date of Detention Hearing: February 10, 2022.

17                   The Court, having conducted a detention hearing pursuant to 18 U.S.C. § 3142(f), and  
18                   based upon the factual findings and statement of reasons for detention hereafter set forth, finds  
19                   that no condition or combination of conditions which defendant can meet will reasonably assure  
20                   the appearance of defendant as required and the safety of other persons and the community.

01           FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

02       1.     Defendant has a significant criminal record that includes multiple acts of  
03 violence, including first degree robbery with a deadly weapon, unlawful possession of a firearm,  
04 assault and theft. His second round of convictions result from violent criminal conduct that  
05 occurred while under supervision. While incarcerated, Defendant assaulted another inmate  
06 and also introduced a controlled substance into the Cedar Creek Correction facility. The  
07 current charged conduct of felon in possession of firearms suggest repeated criminal conduct  
08 involving firearms. Defendant also has a significant addition to controlled substances,  
09 including cocaine, Percocet, heroin, methamphetamine and marijuana. Defendant poses a  
10 danger to the community because he exhibits a pattern of similar conduct involving gun  
11 possession, criminal activity while under supervision, and significant substance abuse history.

12       3.     There does not appear to be any condition or combination of conditions that will  
13 reasonably address the danger to other persons or the community.

14 It is therefore ORDERED:

15 1. Defendant shall be detained pending trial, and committed to the custody of the Attorney  
16 General for confinement in a correction facility separate, to the extent practicable, from  
17 persons awaiting or serving sentences or being held in custody pending appeal;

18 2. Defendant shall be afforded reasonable opportunity for private consultation with counsel;

19 3. On order of the United States or on request of an attorney for the Government, the person  
20 in charge of the corrections facility in which defendant is confined shall deliver the  
21 defendant to a United States Marshal for the purpose of an appearance in connection with a  
22 court proceeding; and

01 4. The Clerk shall direct copies of this Order to counsel for the United States, to counsel for  
02 the defendant, to the United States Marshal, and to the United State Probation Services  
03 Officer.

04 DATED this 10th day of February, 2021.
